PALBAC TRAY

The multi purpose PALBAC is an indispensable piece of equipment around the building site. It's numerous uses include, the storage and distribution of mortar, the movement of materials and the collection of site rubbish.

The PALBAC is fitted with both forklift channels and lifting eyes for maximum flexibility. A heavy duty version is available on the 500 litre model.

The SF2 Drum Stand is available as an accessory which converts the PALBAC 500 into a bunded oil drum store /dispenser for two 200 litre drums. The drums sit on rollers which are angled forward for ease of rotation and emptying
